Note:

1. Materiale fabricatie: F - cauciuc nitrilic; H - cauciuc siliconic; I - cauciuc fluorurat
2. Dimensiuni in milimetri
3. Masurile simeringurilor sunt calculate astfel: $d \times D \times I$, unde d - diametrul interior, D - diametrul exterior, I - latimea
4. Pentru tipodimensiuni altele decat cele specificate in acest tabel precum si alte profile decat cele clasice, va putem oferi simeringuri Chicago Rawhide (CR).
